

Silver And Gilt Bronze Holy Water Fountain

280 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 23 cm

Height : 34 cm

Description

Holy water font from the late 19th/early 20th century. Decorated with an imposing crowned Christ surmounted by a radiant cross. The silver and gilding are in excellent condition. The facial features are very finely sculpted. The whole is placed on its original blackened wooden base.
