

70s Designer Lamp

680 EUR

Period : 20th century

Condition : Parfait état

Width : 31

Height : 46

Depth : 15

Description

Mood lamp from the 70s-80s, made from a block of plexiglass hollowed out from the inside and representing an antique woman's bust. It diffuses a soft light without the flash effect of the photo, and above all gives a very well-rendered impression of relief. It is in perfect condition.
