3 600 EUR

Period : 17th century

Condition : Bon état

Length : 154

Height : 111

Depth : 55

### Description

A 17th-century walnut chest of drawers with three drawers, from the Reggio Emilia area. Important 17th-century Emilian chest of drawers in solid walnut, paneled on the fronts and sides, in a design typical of the Reggio Emilia province. The dignified top is a single piece, while the beautiful projecting cornice is supported by bracket feet.

The handles and keyholes are contemporary, as are the heart-shaped locks and key.

Another strong point is its moderate depth. The piece is intact. Dimensions (cm): Length 154, depth 55, height 111.
