

Two Photographs Of Electricity - Circa 1890

1 250 EUR

Signature : inconnu

Period : 19th century

Condition : Bon état

Material : Paper

Description

Set of two photographs of electricity from the same unidentified photographer, France, circa 1890. Gelatin silver bromide prints mounted on cardboard (print sizes: 12.7x17.5cm and 12x15.3cm; mount: 18.3x13.3cm). Rare set of two photographs of electricity or electric sparks by the same, anonymous photographer. Prints a little faded but a rare pair. See, Canguilhem, *Le merveilleux scientifiques*, 2044, pages 102-113.
