Description

Pair of Louis XVI period cabriolets in natural walnut, molded and carved with "gendarme hat" backs, resting on rudenté and fluted legs. This is an example of the very beautiful models of the Louis XVI period. The woodwork is in excellent condition, their patina particularly warm, they are solid, reliable. The upholstery is quite tired, the seat a little hollowed....the orange cotton velvet which covers them, worn...but still chic!!!
