

Covered Pot In Chinese Porcelain, Famille Verte, Republic Period

280 EUR

Period : 20th century

Condition : Bon état

Material : Porcelain

Height : 33

Description

Elegant covered pot in Chinese porcelain, decorated in famille verte enamels with lively scenes of female figures and children in a garden. The reverse is decorated with a calligraphic inscription in Chinese, of a poetic character, adding a refined and cultural dimension to the whole. Work from the Republic period (early 20th century). Height: 33 cm. A small old and discreet chip on the neck, patinated, visible in the photo.
