Description

In restored condition but usable, they are still comfortable, they have 5 positions and it works, the old fabrics are not really to be thrown away or not ruined ... I did not see any holes or tears, on one of the two armchairs on the armrest there is a piece of wood that has been redone but it holds very well it is at the place where it holds the amount of the backrest in the corner. The one on the right is a little bigger and thicker and it has casters. All these woodworks are in solid walnut. I have many other photos. Overall dimensions of the largest: Height: 40 cm or 115 cm Width: 69 cm Depth: 82 cm
