Description

Precious fabric with a soft silk sheen, woven with a delicate floral decoration. A bedspread in the same fabric is available in my gallery. Its beautiful pink color, bright and refined, evokes the elegant interiors of yesteryear. A slight sun-kissed border, visible in the photo, does not alter the charm of this graceful piece.

Dimensions: 264 cm x 127 cm Perfect for creating a curtain, large cushions, upholstering seats or to enhance a romantic interior.ref011025
