Description

Beautiful Parisian sideboard in pine. Materials: solid pine. Features: this Parisian sideboard placed on a plinth opens with two solid doors and has a shelf (which can be removed but whose height is not adjustable). The doors close with a magnet. Note that the right door is slightly warped at the top, without this affecting its proper closing. Renovation: this Parisian sideboard has been carefully cleaned, sanded while retaining its patina of time, then protected with a colorless wax for a natural and authentic look. Dimensions: L105 x D38 x H82. Interior: L96 x D31.5 x H66. Spacing between shelves from top to bottom: 29-25. This Parisian sideboard is full of softness with its rounded top and its pine wood in soft shades patinated by time. It will be perfect in an entrance hall, a bedroom or your living room.
