### Description

Pair of late 19th century English chairs. The backrest is a fan-shaped design from the 18th century. The seat, made of a single piece of wood, projects out from the back of the backrest, which accommodates two bars. The front seat is slightly hollowed out. Bulbs and narrowings on the front legs. A very beautiful orange color. A variation of this chair can be found at the end of the 19th century by Liberty and Co., and Adolf Loo took up this model at the very beginning of the 20th century.
