Description

France / 1950 / side table / oak / Art Deco / Rustic French 20th century round oak side table in Art Deco style. This table shows beautifully carved Barley twist, legs connected with a carved decorative cross stretcher, giving it beautiful curvy, elegant lines. The wood has a rich, dark hue that is testament to its age and quality. Overall this is a charming table, with a lot of character and a beautiful dark color. Its relatively small size makes it perfect for many different spots in a home.
