Eugen Schmidt (Soloform) company, pair of "club" armchairs from 1956. The armchairs have been fully restored, preserving the original upholstery of horsehair, jute, and copper and steel springs. They offer a firm, comfortable, and resilient seat, typical of armchairs from more exclusive, artisanal productions of the period. The manufacturer's label, found during the upholstery removal, has been replaced. Bibliography: Deutsche Digitale Bibliothek for a similar model reproduced in a period photograph (Historical Photographic Archives of the German Design Council Soloform). Thanks to Geoffrey for the attribution! H 74 cm x D 87 cm x W 71 cm. Seat height 39 cm. More full-screen photos of these Eugen Schmidt armchairs can be found on our website
