Christofle used the Alfenide brand to produce some of their models duplicating others in their range. Thus the two hallmarks coexist for this model. These are exactly the same cutlery, exactly the same design, produced in the same workshops, only the hallmark changes, "Alfenide" for the pieces from the 50s and Christofle for the more recent pieces. Cutlery set delivered in an original case in very good condition. Total weight without case: 4.2 kg, with case: 5.3 kg.
