#### Description

French school:1926Two original drawings in ink and enhanced with gouache on tracing paper in correspondence with the work listed in the catalogue raisonné. The two pieces have retained all their freshness and are framed with a museum light oak baguette and are protected by an anti-reflective glass. Note a sharp and vertical tear of 2 cm on the sheet presenting the red colored figure. A restoration would have been entirely conceivable but not carried out, for the sake of preserving the work in its strict original state.The Mont des Arts Gallery intervenes only very exceptionally on works requiring restoration, and this, in order to ensure total transparency as to the object proposed to its future customers always anxious to involve their usual restorers.A video can be sent on
