Description

White earthenware countertop - Classic elegance and decorative refinement This white glazed earthenware countertop is distinguished by its elegance and refined decorative motifs. Adorned with fluted columns and delicately carved panels, it features a relief decoration composed of plant garlands, bows, and floral wreaths that give it an authentic charm. A piece of furniture with a unique character This countertop is a testament to the craftsmanship of its time, combining solidity and aesthetics. The luminous whiteness of the earthenware highlights the decorative reliefs and emphasizes the finesse of the details, such as the pearl friezes and floral motifs. Versatility and authenticity Ideal as a reception area, bar, or centerpiece in an interior, this countertop brings an elegant and timeless atmosphere to any space.
