Early 19th Century Opaline Salt Bottle

340 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

Height : 10 cm

Description

Superb and elegant salt bottle from the early 19th century in opaline. The faceted barrel is decorated with geometric gilt threads, the whole is topped with a vermeil lid under which is the original glass stopper. Quality work in good condition, slight wear to the gilding.
