Description

Art Deco bar in Sipo wood and sycamore maple, circa 1930. A delightful Art Deco-style rolling bar, combining the elegance of curved shapes with the richness of noble woods. The exterior is made of Sipo wood, with warm, deep tones, while the interior reveals a sumptuous sycamore maple veneer, in the luminous, blond hues typical of the period. The top shelf, with a lift-up opening, conceals a refined serving area. The rounded sides house storage compartments, highlighting the mastery of cabinetmaking of the period.
