

Portrait Of A Noble Lady Ec.fr Early 18th Century

2 850 EUR

Period : 18th century

Condition : Bon état

Material : Oil painting

Width : 67,5

Height : 88

Depth : 6

Description

Beautiful portrait of a noble lady. Richly dressed, she still wears the fontange hairstyle that was fashionable during the reign of Louis XIV, and beautiful pearl jewelry. Our rectangular painting has retained its original carved and gilded wooden frame. (It was later reinforced with a wooden rod). The stretcher has also been changed. The painting has been cleaned by a professional. Ec.Fr from the beginning of the 18th century.
