

Pair Of Primavera Gourds From The Art Deco Period

950 EUR

Signature : Primavera
Period : 20th century
Condition : Parfait état
Material : Ceramic
Length : 21
Width : 6
Height : 29

Description

Pair of Primavera gourds from the Art Deco period. The fossil decoration offers impressive realism. Both the edge, the edges and the facades are sublimated. The varnished decoration adds even more relief. The very sober neck recalls the jar; as if emerging from the water. Primavera is the spring gourd; produced only for their stores. The set adds even more rarity. Delivery possible not included in the price.
