Large pair of glass vases from the Clichy establishments. Powerful, pot-bellied model with twisted decoration ending in a corolla. The color of this pair is particularly well treated and quite rare because it is on an amber base, speckled with blues with inclusion of gold powder. Period circa 1930. Very good condition of the set, we will note a slight difference in weight between the 2 models and a better finish under the base of one model. Height 28cm
