Description

A beautiful and refined early 20th-century Italian garden set made of a mix of concrete and gravel. This majestic set comprises a round table and six round stools. A majestic set with distinctive decorative elements reminiscent of the eclectic transitional style of the early 20th century. The base of the table and stools is formed by four majestic lions reminiscent of Renaissance figures. It is in good condition, with signs consistent with its age and outdoor use. If you're decorating a sumptuous garden, this unique set will become the focal point. The dimensions shown are for the table; the stools are 45 cm high and have a diameter of 34 cm. Please note that for ease of movement, the tabletop and stools can be removed. The set shows signs of the passage of time spent outdoors.
