Description

Homage to Victor Hugo dated May 22, 1865, this representation of the "Great Man" and Poet Victor Hugo in a bust of a high relief of oval patina, dated and captioned, in its beautiful and rich baroque bronze frame which presents it well, is a fine and realistic work, full of poetry, a decorative wall piece honoring the great Writer of the 19th century under the era of Napoleon III who was not his friend ... Fine and of a patinated terracotta, well presented this pretty set is a definite decorative asset and a piece of history, that of a century turning and very rich on the literary point. A pretty little frame in good condition and a charming curiosity ...
