Description

Baroque drop-leaf table in lacquered walnut, southern Italy, early 18th century. Front with drop-leaf door concealing a compartment consisting of compartments, drawers and a secret compartment on the top; pair of pullers supporting the door, 3 drawers with bronze knobs, shelf feet. Interior in poplar. The exterior surface has been lacquered in ivory and brick tones, with geometric motifs, by our workshops, using natural products and preserving the reversibility of the furniture to its original state.
