

Art Nouveau Silver-plated Metal Dish

500 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

Length : 32 cm

Width : 22 cm

Height : 12 cm

Description

The plate depicts a female figure in relief, standing out from the background. The folds of her dress and the graceful curve of her arm intertwine with the floral and plant motifs characteristic of the Art Nouveau style. Artists of the early 20th century, in this industrial era, liked to remind us that the human body and the nature that surrounds us are one and inseparable.
