## Description

Elegant designer lamp in chromed metal, with a slender and sculptural profile, typical of the modernist taste of the 20th century. Its dynamic and refined shape makes it a piece as decorative as it is functional, perfect for an office, a contemporary living room or an interior mixing vintage and modern. The curved shaft supports a long, adjustable reflector, creating a play of elegant lines and a unique silhouette. Its timeless design evokes the creations of the Space Age period and designers of the 1960s-1970s. This lamp is a piece of character, capable of bringing a resolutely architectural and chic touch to your decoration. Careful shipping possible or hand delivery.
