### Description

Superb 19th century oil on canvas, signed lower right J. Caudron, depicting a lively maritime scene with great narrative richness. This work masterfully illustrates the daily life of fishermen or coastal workers: a group of men bustle around a boat, while harnessed horses wait in the shallow water, ready to pull the cargo. In the background, a sail splits the horizon, adding a poetic note to this highly precise composition. The scene unfolds under a subtly nuanced cloudy sky, where the diffused light plays on the waves and clothing, creating an atmosphere that is both realistic and romantic. Each character is carefully rendered, and the attention to detail, from the swirling water to the natural attitudes of the horses, testifies to the artist's skill. The painting is presented in a beautiful period gilded frame,
