Description

LOUIS ARNAUD (Marseille, b. 1914) Abstract structure Circa 1960 Coloured chalks on thick paper 75 x 57 cm Signed :LArnaud Provenance from the artist's studio A massive form composed of a strange alloy of rock, veins, bones, and tree roots. Arnaud's goal is the artistic alchemy between organic and inorganic matter. Others have tried, such as Jean Souverbie, but few have shown the same passion, determination, and success as Arnaud.
