

Antique 19th-century Harvest Straw Basket

230 EUR

Period: 19th century
Condition: Bon état

Length: 26 Width: 15

Height: 23,5

Description

A 19th-century harvest work, this basket stands out for its finely braided straw cords framing delicate cut-outs of romantic Victorian images. The piece is in good condition: the structure remains solid and harmonious, despite a few minor breaks in the straw; the bright colours that originally tinted the straw strands have slightly faded over time.
