

Antique 19th-century Harvest Straw Basket

230 EUR

Period : 19th century

Condition : Bon état

Length : 26

Width : 15

Height : 23,5

Description

A 19th-century harvest work, this basket stands out for its finely braided straw cords framing delicate cut-outs of romantic Victorian images. The piece is in good condition: the structure remains solid and harmonious, despite a few minor breaks in the straw; the bright colours that originally tinted the straw strands have slightly faded over time.
