Description

A "Curiosity" imported from China at the end of the 19th century of a Chinese Wise Dignitary, well carved and of good size with pretty polychromy, on smoothed wood. A singular presence worthy of an "Amateur's Cabinet" in need of travel (it's a case of saying so) and very open to other peoples and their cults or beliefs... A decorative piece in good condition, well finished and with a beautiful presence, see photos
