Description

Antique gilt bronze clock called Borne from the Restoration period. Beautiful quality of gilding, with its water leaf frieze in the lower and upper part at the level of the cornice. The whole surmounted by an oblong basin with handles. Silver dial with Roman numerals for the hours and railway for the minutes, steel hands in the Bréguet style. Round Paris movement with striking at the passages of the hours and a bell by chaperon, wire suspension. The clock works but without warranty. A revision will be necessary for optimal operation. Possibility of drawing up a quote for the restoration of the mechanism with warranty. With original key and pendulum. We are at your disposal for any request, please contact us by phone (06 01 49 14 24) or by email (remarot@gmail.com).
