### Description

Gilt bronze lamp from the 60s and 70s in the style of Pierre Casenove. Very pretty model similar to this artist's candlesticks but here mounted as a lamp with its original hand-made lampshade.

Note the solid bronze side ensuring great stability through its mass. Very nice foundry work and beautiful golden and patinated patina. Note some slight graying on the lampshade adding charm to this very beautiful light fixture. Very good electrical working condition. Delivery possible in France and worldwide by secure and insured package with order tracking. Possibility of collecting the item on site at the Avallrich estate or at the Montpellier Cipolat SA unpacking, merchant terrace. Invoice and certificate provided.
