Description

Cylindrical vase in ceramic and metallic crystallized enamels. This very particular technique creates an almost natural illusion allowing it to be assimilated to pansy flowers! The petals and pistils are reproduced in reality with iridescent effects fluctuating in the light as with crystal. Note that even the interior of the vase is decorated. The artist of Sicilian origin Serafino Ferraro (1939-2017) was based in Vallauris, these works are signed Finay. Height: 22.5cm Diameter: 12.5cm Neck opening diameter: 8cm
