18k White Gold Ring With Amethyst And Diamonds Around The Halo

3 050 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Description

Elegant and captivating, this exquisite ring features a vibrant purple amethyst at its center, surrounded by a sparkling halo of natural diamonds. The contrast between the amethyst's deep hue and the diamonds' brilliance is beautifully enhanced by the refined polish of the 18k white gold. Band Width: 3.2mm Tray Width: 22mm Tray Length: 21mm Total Weight: 12.99g Ring Size: PTSMS10139
