Description

Beautiful large First Empire style hot water bottle lamp in chiseled gilded guilloché bronze, adjustable green sheet metal lampshade, two elegant arms with swans with outstretched wings, base forming a pocket emptier. A remarkable desk lamp in very good condition, carefully made from the early 20th century with reliable and approved electrification. The arrowhead adjustment screw and the ornate ring at the top complete this beautiful, useful and elegant piece with a beautiful finish. A beautiful, stylish First Empire style, functional, very elegant, practical and decorative, of high quality, notably its decoration with beautiful guilloché retouching as chasing, the light gilding not vulgar, in short a very pleasant piece in very good condition
