Wrought Iron Lantern With Blown And Colored Glass, Early 20th Century

380 EUR

Period : 20th century

Condition : Parfait état

Material : Wrought iron

Width : 24 cm

Height : 60 cm

Description

Beautiful old lantern in hand-forged iron, the four faces of which are blown glass in green, orange and red mounted on lead, in perfect condition. One face opens to allow the bulb to be placed. The wrought iron is worked in volutes and floral scrolls. This very decorative lantern, whose electricity has been redone, is in perfect condition.
