### Description

Pair of Dutch Georgian Tobacco Jars

Netherlands, 19th century

Heights: 18 and 23 cm - Diameters: 12 and 15 cm

A fine pair of Dutch Georgian tobacco jars, each turned from different woods and displaying a rich, original patina. Their simple yet elegant ring-turned forms reflect the refined craftsmanship of 19th-century Dutch artisans. The warm surface tones, ranging from amber to deep honey, reveal the passage of time and the careful use these objects once knew. A harmonious pair--decorative, authentic, and full of character--illustrating the enduring beauty of Dutch tradition.
