

Lumbo Gabon Mask

700 EUR

Period : 20th century

Condition : Etat d'usage

Description

Beautiful Lumbo mask, neighbor of the Punus, they were very inspired by their neighbors for their cult objects, but the faces are however more childish with a slight smile easy to recognize. Height 27 cm. Note square fixing holes which are said to be typical of productions before 1950, significant wear from festive use.
