

Yellow Gold Sapphire Ram Brooch

2 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Retro brooch in yellow gold made of partially matte and delicately chiseled gold, it represents a ram, the horns being made of a twist of shiny gold and the eye is set with a cushion-cut sapphire. On the back, a pin with a safety pump allows this vintage jewel to be worn as a brooch and a bail that folds inside the brooch which allows it to be worn as a pendant. Period: 20th century Main material: yellow gold, 750 thousandths, 18 carats, eagle's head hallmark. Total weight of the sapphire: approximately 0.22 carats. Proportions: Height: approximately 4 cm, width: approximately 4 cm, thickness: approximately 11.5 mm. Net weight: approximately 12.5 g. Authentic antique jewel - French work from the 1960s. Our opinion: In the style of Van Cleef and Arpels bestiary jewelry,
