Anoman Yaouré Mask Ivory Coast

900 EUR

Period : 20th century

Condition : Etat d'usage

Description

Interesting Yaouré mask called Anoman with its bird overlooking it, funeral mask. We find Yaouré characteristics with the headdress which is divided into 3 arcs of circle on the forehead, the mouth which makes a pout as well as the serrated border (at the level of the beard), 2 copper plates adorn the cheeks. Beautiful brown patina a little greasy. Good condition, height 34 cm, very irregular attachment holes with remains of fibers to attach the headdress, this mask danced.
