Antique Baroque Pewter Candlestick Louis XIV Original 18th Century

160 EUR

Period : 18th century

Condition : Très bon état

Material : Metal

Description

A RARE BAROQUE PEWTER CANDLESTICK FROM THE LOUIS XIV PERIOD, 18TH CENTURY. EUROPEAN MADE. Measures 53 x 15 cm.Structure and decoration: It features a triangular base supported by lion's paw feet. The base is decorated with leafy scrolls and medallions. The shaft is molded with a pear-shaped knot and plant decorations. The top has a central tip to hold the candle.Period and origin: Objects with features similar to the one pictured have been attributed to 18th-century Tuscan and Venetian workshops. Other examples dating back to a later period, such as the 19th century, come from workshops in Campania or Lazio.
