approximately 16.5 cm. Net weight:
approximately 48.9 g. Mechanical watch with
manual winding. Authentic vintage women's
watch - French work from the 1960s. Small trace
of soldering on the mesh, barely visible. The
watch starts, no guarantee on the mechanism. Our
opinion: Both a gold diamond bracelet and a gold
diamond watch, this vintage dual-use jewel was a
"must have" in its time. Note : All our watches
have been cleaned and polished. The settings of
any stones have been checked. The watch shown
is not working. For use as a watch, we strongly
recommend having the mechanisms serviced by a
specialist watchmaker. Our watches are sold
without any guarantee of functionality. To find
