Description

Antique rose gold chain made up of a fine mesh punctually separated by small faceted gold beads and gold rings. A large lobster clasp is attached to it in order to hang a pendant or wear the chain in double rows. Period: 19th centuryMain material: rose gold, 750 thousandths, 18 carats, rhinoceros head hallmark. Width of the gold beads: approximately 4.1 mm. Width of the chain: approximately 0.7 mm, length: approximately 132 cm. Net weight: approximately 8.8 g. Authentic antique jewelry - French work from the end of the 19th century. Small signs of age, barely visible. Our opinion: With the very high prices of gold, this type of jewelry is becoming rare but still sought after by lovers of charming antique jewelry.
