

## Large Diabolo Vase From The 70s - Ceramic

400 EUR

Period : 20th century

Condition : Bon état

Material : Ceramic

Height : 62 cm

### Description

Large ceramic vase - Diabolo shape, 1970s  
Imposing glazed ceramic vase from the 1970s, featuring an elegant diabolo shape characteristic of the modernist design of this period. The piece seduces with its vibrant turquoise color punctuated with speckled nuances that give it depth and movement. Typical work of the decorative design of the Trente Glorieuses, between Scandinavian inspiration and French influence. Ideal for a Mid-Century decoration or a contemporary interior looking for a retro and sculptural touch. Period: circa 1970 Material: Glazed ceramic Color: Turquoise blue  
Dimensions: 62 cm Condition: Good general condition, small signs of use A decorative piece with a strong vintage charm, perfect as an accent element or sculptural bud vase.
