### Description

Beautiful large "fig and lizard" bowl by Daum. A great classic from the famous crystal factory. This is the largest model, this bowl can be considered as a centerpiece with its 43 cm length and 30 cm width. Many colors with these spots of green and purple and many fruits in relief on the edges with a lizard lying in wait. 1st choice piece, signed "Daum France", in very good condition. Very beautiful modern piece, timeless and rare in this size, a tribute to Amalric Walter for amateurs.
