### Description

Rare and charming oval painting of an oil on cardboard from the mid-19th century of the Enigmatic "Georges Sand", in a gray background, dressed in a loose black jacket with fur buttons, she observes us with her sustained gaze in the half-light; her long hair emphasizes her face, she is discreet and would hide from the full light... A singular painting of the "Great Novelist" in a molded frame gilded with leaf (annotated on the back in bistre pen)
