### Description

Belle Epoque ring from the beginning of the century in 750/°° yellow gold (18 KT, eagle's head hallmark), vermeil and silver, adorned in its center with a large turquoise cabochon with a strong and intense color, blue mixed with green... this color, particularly difficult to reproduce in photos, can be appreciated more closely in the photos in which the ring is worn... The closed-set cabochon is surrounded by rose-cut diamonds on settings characteristic of the period, in silver... The underside is chiseled like a collar all around, while the body of the ring presents a beautiful work of plant sculpture... Weight of the turquoise estimated at approximately 2.80 carats Total weight of the diamonds estimated at approximately 0.10 carats Gross weight: 8.13 g Finger size: 63.5 - can be modified to your liking
