

Piar Of Polychromed Small Statues Italy XV Century

1 000 EUR

Period : Before 16th century

Condition : Quelques manques

Material : Painted wood

Height : 19 cm

Description

Rare pair of saints (the woman is believed to be Saint Catherine) in carved, painted, and gilded poplar wood. Probably from Valsesia, certainly Piedmont. Height 19 cm. Beautiful patina, original polychrome, visible signs of wear and small losses, consistent with the period. Extremely rare and fascinating objects.
