Description

Louis XV style chest of drawers with a curved front opening with two drawers. It is black lacquered and decorated with polychrome and gilded chinoiserie, depicting animated landscapes, pagodas, figures, and stylized vegetation. The scenes are enhanced with mother-of-pearl motifs, providing subtle iridescent reflections. The sides feature similar decorations in the same spirit. The gilded bronzes are finely chiseled: falls, handles, keyholes, and sabots. The chest of drawers is topped with molded sea green marble.
