Description

This is an exceptional piece: a finely crafted patinated bronze tray depicting a bear in relief. This beautiful utilitarian object takes on an artistic dimension thanks to the realistic and solid sculpture of the animal, an emblem of power and calm.But beyond its understated and raw aesthetic, this piece is signed "E. Brandt," for Edgar Brandt, a renowned 20th-century sculptor renowned for his metalwork and animal subjects. His signature, visible on the upper rim, authenticates the work and makes it a valuable collector's item.The antique patina, the quality of the cast iron, and the style marked by Art Deco or turn-of-the-century realism are testament to the care taken in this creation. These objects, now rare on the market, are highly sought after by collectors and decorative art enthusiasts. This
